To all of our friends at Boss Facility Services:

I'd like to take this opportunity to thank everyone at Boss Facility for the generous donation of health and beauty aids, toys and beautiful paintings that you made to the families at Resurrection House, Inc. Your thoughtfulness, generosity and efforts in purchasing, collecting and painting all of the items are very much appreciated. The families will certainly put all of the items to good use. We hung the paintings in the living room and kitchen and they really brightened up the house. We hope you know that your support of our families is greatly appreciated.

Thank you again for thinking of our families and for reaching out to Resurrection House.

All of us at Resurrection House, Inc. wish you a great rest of the year and hope to work with you in the future.

Sincerely,
